

Pre-Order the Plum Beach Lighthouse Commercial Plate

The Friends of Plum Beach Lighthouse are currently working with the State General Assembly and the DMV to learn if there is enough support for a PBL Commercial Plate. First, we must collect names and addresses of potential plate buyers to show the legislature that such a plate is wanted.

Submit this pre-order form and you'll be the first to receive an application once the plate wins General Assembly approval. The plates will cost a one-time fee of \$41.50. The DMV collects \$21.50 to process and make the plates, and the Friends of Plum Beach Lighthouse receives the remaining \$20 for preservation of the lighthouse. PLEASE SEND NO MONEY at this time – this is just a pre-order form! Once we reach 900 potential plate buyers, we'll get the official application to you. This is the first step of a long process, it took us almost two years to create the first PBL plate.
